Residential and Single-Line Business Subscriber Line Charge Caps

Dear Mr. Caton,

Today, I provided the attached data with regard to the above referenced matter to the Wireline Competition Bureau staff. The data is a breakdown of the access lines by service type for Sprint's local telephone companies from the HCPM, corresponding to the total switched lines depicted in Sprint's cost submission dated November 16, 2001.

In accordance with FCC rules, this letter is being filed electronically in the docket identified above. Please call me if you have any questions. Thank you.

Sincerely,
/s/
